**Re:** Academic Pointe – Rate Changes

Dear Parents and Guardians of Students:

We thank you for your patronage to Academic Pointe, and we are pleased to state that we celebrate our 20<sup>th</sup> anniversary this year, beginning as Munster Math in 2003. Since we have opened up our facility on 45<sup>th</sup> Street in 2010, we have been grateful at the number of individuals we have been able to instruct in mathematics, English, chemistry, test preparation, and more. We believe that our dedication and enthusiasm make us a leading provider of educational services to the Northwest Indiana region.

After careful consideration and increasing costs, we have decided that—effective September 1, 2023—we will be instituting a change in our rates, the first we have made in five years. We believe that such a change is necessary in order to maintain the demands faced by our organization.

Please note the new rate schedule below.

Private Session			Group Session (2 students)	
1 hour	45 minutes	30 minutes	1 hour	30 minutes
<b>\$80</b>	<b>\$65</b>	<b>\$50</b>	<b>\$50/student</b>	<b>\$30/student</b>

*A private session can be for either individual coursework or test preparation and can consist of one student or two family members.*

In establishing this new rate schedule, we believe that group sessions are a great solution for those looking for more cost-effective tutoring. We encourage students interested in tutoring to find peers who are similar academically and form groups, as these can be an exciting and engaging way in which learning can take place.

If you have any further questions, please feel free to contact our business offices at **219.595.0920** or by visiting our website at **[academicpointe.com](http://academicpointe.com)**.

Again, we appreciate your loyalty over the past two decades. We look forward to many more years of serving the region and providing top-quality instruction to the students of Northwest Indiana.

Warmest regards,

The Academic Pointe Staff
